

Goal Assessment for 2 ½ Year Olds

After completing this class your child should be able to:

Language

- Give first and last name when asked to say their whole name
- Follow one-step directions
- Repeat simple songs and finger plays

Cognitive

- Listen to short (5 minute) stories
- Match shapes and colors
- Recognize first name in print
- Count objects to five

Fine Motor

- Hold scissors correctly and snip with them
- Hold crayons correctly (finger grasp)

Gross Motor

- Walk on tip toes
- Kick a ball forward
- Jump in place with two feet
- Throw an 8-inch ball without direction

Social and Emotional

- Separate from parents
- Join in play with other children and begin to interact

Creativity (Music, Art, Verbal Expression)

- Participate in simple group activities (sing, clap, dance, etc.)
- Draw the head of a person and one other body part
- Paint dots, lines and circles

Self-Help

- Pull on and take off coat
- Wash and dry hands with supervision
- Get a drink without assistance
